

TARIFF IMPACT SERVICES

Do you know your impact and options?

SECTION 301 TRANCHE 3 EXCLUSION

BDP will evaluate the feasibility of requesting an exclusion based on a review of your product, the HTS number, and the extent to which exclusions have already been requested on the same or similar products.

BDP Services

- Evaluate your product for exclusion feasibility
- Compile data and completion of the Tranche 3 Exclusion Request Form
- Filing, following up and monitoring the exclusion request

TARIFF IMPACT ASSESSMENT FOR US IMPORTS

BDP will provide a comprehensive analysis of your US imports from China through the US CBP ACE Portal (or ACE reports you provide) for the previous twelve (12) month activity. As the list of tariffs evolves, BDP will provide a thorough ongoing analysis through to tariff finalization.

BDP Services

- Evaluate your HTS classifications against the new Section 301 tariffs to determine the impact
- Calculate HTS-level duties paid on your US imports
- Determine additional duties due under Section 301 tariffs

RETALIATORY TARIFF IMPACT ASSESSMENT FOR US EXPORTS

BDP will provide a comprehensive analysis of your US exports to China through the US CBP ACE Portal (or ACE reports you provide) for the previous twelve (12) month activity. As the list of tariffs evolves, BDP will provide a thorough ongoing analysis through to tariff finalization.

BDP Services

- Evaluate your HTS classifications against the new Section 301 tariffs to determine the impact
- Calculate HTS-level duties paid on your US Exports
- Determine additional duties due under Section 301 tariffs

ALTERNATIVE INTERNATIONAL SOURCING

BDP will provide recommendations and alternatives where products may be sourced outside of the Section 301 impacted areas.

BDP Services

- Research will be performed based on HTS classifications and product descriptions
- Evaluate alternative sourcing locations
