

The recipe for supply chain success

We are BDP: One of the largest privately held logistics and trade compliance solutions providers, specializing in the **Food, Beverage and Ingredient** industries for over 50 years. We are a trusted partner for those who must ensure their commodities, from agricultural through finished processed goods, arrive safely and timely.

Food, Beverage & Ingredient Expertise

- Regulatory & Trade Compliance solutions
- Industry leader for bulk transport: isotank, drum, IBCs/totes, bulk parcel tanker
- ISO and IATA certifications
- Expertise in transport and storage of bulk liquid & granulated substances
- Perishable handling expertise
- On-demand tracking through BDP Smart visibility software
- Harmonized Tariff classification assignment and validation
- Trained and certified staff with comprehensive SOPs

Innovation

BDP SMART

BDP also offers a proprietary suite of visibility and order management applications to provide pro-active control over your end-to-end supply chain.

BDP SMART

BDP Smart[®] is a global shipment visibility tool that allows you to view shipping documents, track inventory, and rely upon up-to-date information for global rates, booking requests and vessel schedules.

BDP VU

BDP Smart Vu[®] is the all-inclusive solution to order management. From requisition and inception of PO through final delivery, Smart Vu[®] serves as the centralized portal for vendor and supplier management, allowing you to track milestones and integrate all parties in the supply chain.
